Notes from Coach Heather:

Wow, with a second meet under our belts it is amazing to how much the kids have already improved. You guys are doing great and we look forward to watch you all make huge improvements next week too! Remember swimmers to please come see us coaches immediately after your races so we can talk with you. Some of you were disqualified this weekend and we want to explain these technical aspects with you.

Friday at practice I have the event sheets with what all the swimmers are swimming the following day at the meet. PLEASE get this information on Friday and don't wait until Saturday morning to do this. If there are changes to be made it is so much easier to do this Friday than in the mayhem of the meet Saturday morning. We are also now posting this information on the website by Friday afternoon so you can always get it there too if you forgot to do it at practice.

Parents, thank you all so much for making our first home meet a huge success. We had to scramble at the last minute to get all the volunteer positions filled but we did do it, so thank you all how just stepped up and really helped us out. PLEASE make sure to go to volunteerspot.com to sign up for further volunteering positions. With another home meet upon us this weekend we

really need to fill about 50 positions at this point. If you are still having trouble getting onto the website please talk with Heather or any of our other parent board members!
